

MINISTRY OF DEFENCE

(Acquisition Wing Sectt.)

Subject: Amendments to Defence Procurement Procedure (DPP)-2013.

The following existing paras of DPP-2013 are amended to the extent indicated below:-

Para No.	Page No./ Document	<u>For</u>	<u>Read</u>
1.7	Page-113 Appendix G to Schedule-I of Chapter-I	The Price Bid Format is given below and Bidders are required to fill this correctly with full details. No column of the Bid format should be left blank. If any column is not applicable and intentionally left blank, the reason for the same has to be clearly indicated.	The Price Bid Format is given below and Bidders are required to fill up this correctly with full details. No column of the Bid format has to be left blank. The clubbing of serials/sub serials to indicate a consolidated cost is not acceptable. The columns of 'quantity', 'unit cost' and 'total cost' are to be filled up with positive numerical values or 'Nil' at every row as applicable. If any column is not applicable and intentionally left blank, the reason for the same has to be clearly indicated in the remarks column.
3	Page-244 Enclosure-7 of Schedule to Chapter-III (Defence Ship Building)	The Price Bid Format is given below and Bidders are required to fill up this correctly with full details. No column of the Bid format has to be left blank. If any column is not applicable and intentionally left blank, the reason for the same has to be clearly indicated.	The Price Bid Format is given below and Bidders are required to fill up this correctly with full details. No column of the Bid format has to be left blank. The clubbing of serials/sub serials to indicate a consolidated cost is not acceptable. The columns of 'quantity', 'unit cost' and 'total cost' are to be filled up with positive numerical values or 'Nil' at every row as applicable. If any column is not applicable and intentionally left blank, the reason for the same has to be clearly indicated in the remarks column.

Contd.....

8(b)	Page-213 Enclosure 4 of Model RFP Format of Chapter-III	“The MRL-OBS has to be recommended based on the likely consumption rate of the spares and on the exploitation pattern of the equipment.....Bidder quoting lesser MRL-OBS in terms of range and depth will have to make good deficiency within _____ days of intimation by the buyer to render equipment operational. Buyer would also..... negotiated in the contract.”	“The MRL-OBS has to be recommended based on the likely consumption rate of the spares and on the exploitation pattern of the equipment.....Bidder quoting lesser MRL-OBS in terms of range and depth as well as quantity will have to make good deficiency at their cost without any financial responsibility or liability to the Buyer within _____ days of intimation by the buyer to render equipment operational. Buyer would also..... negotiated in the contract.”
