**Indian Coast Guard Ship Samudra Prahari on an overseas deployment to
ASEAN countries as part of India’s initiative for Marine Pollution
Response in the region**

**13 NCC cadets onboard to participate in Puneet Sagar Abhiyan in the
region**

The Indian Coast Guard Ship Samudra Prahari, a specialized Pollution Control Vessel, is currently on an overseas deployment to ASEAN countries from 11 Sep to 14 Oct 2023. This deployment is part of India's ASEAN initiatives for Marine Pollution Response, showcasing the Pollution Response capabilities of the Indian Coast Guard (ICG) and its commitment to addressing marine pollution issues and enhancing capacity in the region.

The ship is equipped with a Chetak Helicopter in Pollution Response configuration, enhancing its capabilities in this area. This initiative was announced by Raksha Mantri Rajnath Singh during the ASEAN Defence Minister Meeting Plus meeting in Cambodia in November 2022.

During this deployment, the ship is scheduled to make port calls in Bangkok, Ho Chi Minh, and Jakarta. It will demonstrate the ICG's pollution response capabilities and its dedication to collaborative efforts for marine pollution response.

As part of an overseas exchange program, the ship has embarked 13 NCC cadets to participate in "Puneet Sagar Abhiyan," an international outreach program focused on beach clean-ups and similar activities in coordination with partner nations.

This visit holds significant importance in strengthening bilateral relationships with key maritime agencies, including the Thai Maritime Enforcement Command Centre and BAKAMLA (Indonesia Maritime Security

Agency). These relationships have evolved over the years to ensure the safety, security, and cleanliness of the seas in the region. Engagements with senior officials and personnel from these agencies during the visit will further enhance regional safety and security.

The visit's agenda includes professional exchanges, cross-deck visits, planning and tabletop exercises, joint exercises, as well as official and social engagements including visits to capacity-building facilities.

The visit of ICGS Samudra Prahari to ASEAN countries reinforces India's continuous efforts to foster friendly relations through maritime cooperation. This aligns with the vision of Prime Minister Shri Narendra Modi, known as "SAGAR - Security and Growth for All in the Region," which seeks to unite the region. It also echoes the Indian government's theme during its G20 Presidency: "Vasudhaiva Kutumbakam" – One Earth, One Family, One Future.
